Dear Parents and Students,

We want to thank the families who are currently attending Calvary Christian School. We appreciate your support and dedication to Christian education. Thank you for allowing us the great privilege of serving your families.

We are beginning the re-enrollment process in March and will need a re-enrollment packet and corresponding re-enrollment fee turned in by the end of March to secure your student(s) place for the 2022-2023 Academic year.

We also want to thank those families who are considering enrolling and attending Calvary Christian School for the first time. All of our staff here at Calvary Christian School are committed to providing the highest quality Christian education for you family and look forward to having an opportunity to serve your family.

Enrollment will be available to families on our wait list and to those who tour our school and intend to enroll at the beginning of April on a first come first serve basis.

Please make sure to turn in an enrollment packet for each child you wish to re-enroll/enroll. The re-enrollment/enrollment fee will be due upon turning in of the packet.

Please note that your child will not be officially enrolled until both the packet and the corresponding enrollment fee are turned in to the school office.

If you are enrolling a child for the first time keep in mind that we will need enrollment packets and corresponding fees turned in before we conduct diagnostic testing. We will also need high school transcripts for new high school level students.

To all the families who are part of or considering being part of Calvary Christian School, I pray that the Lord will richly reward you and your financial sacrifice to ensure your children's future, both academically and spiritually. Thank you for your support of Christian education.

Yours in Christ
